

V600

Smart Mini PV Power Station with Integrated Battery

- Residential
- Outdoors

On Grid
AC output

Off Grid
AC output

1.8KWH

PV charging

APP

IP65

Mute

Free-installation

High-ROI

Model	V600
Type of battery	LiFePO4
Battery operating voltage range	25.6V
Battery capacity	1843Wh
Solar input	600W MAX
Ac output	600W (peak 1200W) 50/60Hz (support output frequency adaptive)
WIFI&APP	Support, APP needs to be customized development
IP code	IP65
Operating ambient temperature	-10 ~ 40°C
Storage ambient temperature	-20 ~ 45°C
Safety certification	FCC/CE/RF/ROHS/IP65/UN38.3
Weight	About 30kg
Size	L 595mm*W 175mm*H 435mm
